FALL PRICE LIST ... September 30, 1934

HELLO FRIENDS:

(Because of the time required to prepare our new Catalog, it will not be out until January. This season we advise early orders and if our catalog with full descriptions of varieties is desired we will forward our "1934 Spring Catalog" upon receipt of your request.)

We are offering our Fall List in very condensed form our object being to offer in concrete form and terms Gladiolus Bulbs of quality in varieties of merit at minimum prices.

First, you will note our Retail or Prepaid prices covering the outstanding newer varieties. Following this list you will find our Wholesale List, on which purchaser pays transportation charges.

If you do not find the varieties you are interested in listed in Prepaid List, look for them in the Wholesale List. You will note that you may purchase in quantities of ten bulbs of the same size and variety from Wholesale List. Ten bulbs at one-eighth of 100 price. You may also purchase single bulbs at one-fifth the price of ten.

Should you wish to order from both lists, we will send charges collect and add additional bulbs of your choice to cover cost of transportation and send shipment all charges collect OR we will send prepaid in accord with our terms of Prepayment under "Carrying Charges" under Wholesale List. You to specify how you wish them sent.

The Weather Man played some pranks on the good old U. S. A. this season as I think most of you will agree; but we were fortunate in having two first-class wells and a pumping outfit with a capacity of 4,000 gallons of good clear water per hour and sufficient pipe to cover our entire garden so that our growing crop has been completely and adequately watered with the result that we feel we have never offered better stock than we are offering this season.

WHAT WE OFFER

We offer true to name bulbs of the highest quality at reasonable prices. This is not an idle remark, but this statement is based on fact. Our stock is carefully treated before planting to prevent disease. Our gardens have been carefully inspected again this season by both State and Federal inspectors for the detection of Gladiolus Thrip and we have been advised that none has been found. Of the latter fact we are both thankful and proud.

Mr. J. H. Heberling, Easton, Illinois.

Sutherland, Nebraska, September 17, 1934.

Dear Sir:—"It gives me great pleasure at this time to tell you how beautiful my Glads were this summer. They were far ahead of any I have ever raised before. Thanks for the extras, they were all such good ones."

Yours very truly,

MRS. W. H. TRACY.

OUR GUARANTEE

We guarantee all bulbs and bulblets purchased from us to be true to name, full sized, and free of disease and insects including Gladiolus Thrips. We will replace stock or refund the purchase price of all bulbs and bulblets purchased from us that are not satisfactory, providing that we are notified of the deficiency within eighteen months of the date of purchase.

SHIPPING DATE

Shipments will be made about December 1st as near as possible, but will hold until spring if so requested. We will use best efforts to make shipments safely and during favorable weather. All Express shipments are guaranteed against freezing providing immediate notice of bad order of shipment is given Express Company and ourselves.

CARRYING CHARGES

These prices are strictly wholesale; hence purchaser pays shipping charges. Should you feel, however, that you must have charges prepaid, we will prepay shipment if you will send additional funds with order to cover shipping charges as follows:

If ordering bulbs sizes 1 or 2, add 25 per cent of total to cover charges.

If ordering bulbs sizes 3 or 4, add 15 per cent of total to cover charges.

If ordering bulbs size 5, add 10 per cent of total to cover charges.

The charges will not be so high on many of the orders and we feel that the carrying charges will be cheaper if you have them shipped charges collect. For the reason that each season many of our customers ask that shipment be sent prepaid, we have adopted the above charge rate, making it as fair as possible in a general way.
